It may not be on a mountain height, or which

Je-sus would have me speak. It may not be now in the battle's
front sin my Lord will have need of me. But

if by a still small voice he calls to paths that I do not

know, I'll answer dear Lord with my hand in Thine. I'll

My voice shall echo the message sweet.
For I will go where you want me to go. For I will go where you want me to go.

go dear Lord, and I will say what you want me to say. O ver

mountain or plain, or desert or sea I will walk all my life in Thy
way. 

And I will trust my all in to Thy care. and knowing Thou Lovest me, I'll do Thy will with a heart sin-

cere. I'll try to be what you want me to be. I'll fol-

low
Thee, and I will go where e'er you
I'll do Thy will; I'll follow Thee
want me to go. Lead Thou me
on for I will go where you want me to go.
